- ※ Tuition fees for Health Science & Technology, Aging Friendly Industry, Humanities and Social Sciences in Medicine, and Digital Anti-Aging Health Care may vary depending on the nature of program and its requirements.

### Important Notes for Combined Master & Ph.D. Program

- According to Art. 7-2 of the regulation on Combined Master & Ph.D. Program, the applicant can graduate within 6 semesters if all graduation requirements are met.
- Thesis submission is exempted for Master Degree
- Qualifying examination is exempted for Master Degree
- For those who intend to give up on the Combined Master & Ph.D. program, yet fulfilled all requirements for a Master's degree, Master's degree can be conferred on them. (Application for giving up on the program must be submitted 2 months prior to the beginning of 4<sup>th</sup> semester)
- Those who are in the Master program at Inje University will enter the Combined Master & Ph.D. program at the start of fifth semester after completing 4 semesters of the Master program.

### Financial support through Brain Korea 21(BK21) Program

- Departments of Nanoscience & Engineering, U-Design, Digital Anti-aging health care are participating BK21 Program supported by National Research Foundation in Korea. Graduate students enrolled in BK21 departments can receive monthly stipend (700,000 KRW or more for Master students, 1,300,000 KRW or more for Ph.D. students) and some incentives on the basis of research achievement.

### III Eligibility

1. General Eligibility : Applicant must satisfy one of the following conditions.

- Applicant and his/her parent must have a foreign citizenship.
- Applicant must have completed both primary and secondary educations, which is comparable to 16 years education at elementary, middle and high school, and college in Korea.

2. Eligibility for each Degree Program

| Program                 | Eligibility   |  |
|-------------------------|---|--|
| Master                  | <ul style="list-style-type: none"> <li>● Applicant for the fall (or spring) semester must have received or should receive a bachelor's degree by the end of August (or February) of the same year in which he or she intends to apply for the Master Program.</li> <li>● Applicant must demonstrate a proficiency in Korean or English</li> </ul>                     |  |
| Ph.D.                   | <ul style="list-style-type: none"> <li>● Applicant for the fall (or spring) semester must have received or should receive a bachelor's degree and a master's degree by the end of August(or February) of the same year in which he or she intends to apply for the Ph.D. program.</li> <li>● Applicant must demonstrate a proficiency in Korean or English</li> </ul> |  |

\* ○ : Required, △ : Optional, X : Not required

\* Besides required documents above, additional documents can be requested for admission

process.

- \* All document should be original and they must be submitted until the application deadline by post or person.
- \* All documents should be written in English or Korean. Documents written in other languages should be accompanied by a notarized English or Korean translation.

## VI Important Notes

### 1. Important Notes for Applicants

- 1) Before applying for the graduate program at INJE, applicants should contact staff in charge of international graduate student's admission in order to discuss his/her admission.
- 2) If any of the required documents is missing or contains false information, the admission may be rescinded.
- 3) All documents should be written in English or Korean. Documents written in other languages should be accompanied by a notarized English or Korean translation.
- 4) Applicant whose graduation was pending at other institution during the time of application should submit the Graduation Certificate(s) and the Degree Certificate(s) before his/her first semester begins.
- 5) If the accepted student received his/her degree from abroad, he/she has to submit diploma copy with Apostille certificates (if applicable) or authentication by Korean embassy of the country where the institution is located before his/her first semester begins.
  - In case of the applicant who received degree from university in China, he/she should obtain and submit the online verification report at the website of China Academic Degree & Graduate Education Development Center ([www.cdgdc.edu.cn](http://www.cdgdc.edu.cn)) or at the website of China Higher-education student Information ([www.chsi.com.cn](http://www.chsi.com.cn)).
  - Accepted student residing in Korea with D-4 visa is advised to prepare 2 copies of the above documents, one for changing D-2 visa (immigration office) and the other to school.
- 6) After being admitted to the school, freshmen must purchase national health insurance. For those who do not pay national health insurance fee in Korea, his/her application for dormitory, scholarship, class registration, and visa extension or change will be nullified.
- 7) Received documents will not be returned under any circumstance.

### 2. Where to Submit Application Forms and Documents

- Kim, Hee Kyu(staff in charge of international graduate student's admission)  
Office of International Relations and Cooperation, Biotech village 106, Inje University,  
197 Inje-ro, Gimhae, Gyeongnam, Republic of Korea (Zip code: 50834)

\* Note: For international students who participate in their professor's research project and receive a stipend from research grant, the scholarship listed above shall be given on the basis of amount of stipend and payment period regardless of their language requirements.

## VIII Campus Life

### 1. Dormitory

| Dorms                         | Details  | Dormitory fee*<br>(1 semester) |                                  |
|-------------------------------|--|--------------------------------|----------------------------------|
|                               |  | Boarding                       | Meals                            |
| Biotech village               | <ul style="list-style-type: none"> <li>- 2 persons share a room with bathroom</li> <li>- Open 24 hours</li> </ul>                                      | 690USD                         | 500USD<br>(Breakfast and Dinner) |
| Dormitory for Medical Student | <ul style="list-style-type: none"> <li>- 3 fully furnished apartments</li> <li>- 6 to 8 persons share an apartment</li> <li>- Open 24 hours</li> </ul> | Maintenance fee                | No Meal                          |

\* Note : The table above is based on tuition fee and scholarship for the full-time student in the 2022 spring semester. It should be noted that amounts in the table are subject to change.

### 2. Counseling Center for International Students

- Counseling center for International Students is run by the graduate office to help out the students' concerns over living and studying in Korea, such as housing, study visa, qualifications for degrees, insurance, job seeking etc.

### 3. Cultural Events for International Students

- Inje University offers a variety of cultural events for International Students such as hiking on Korean Mountains, volunteering programs, practicing Korean traditional holidays etc.

### 4. The Advantage of Reduction on Paik Hospital Fee

- Enrolled Students can get the advantage of reduction on hospital fee when they use Paik Hospitals (Seoul, Busan, Sanggye, Ilsan, and Haeundae).

### 5. International Students Union & Alumni Association

- The graduate school runs International Students Union to support International Students' successful adaptation to campus life at Inje University.

- Alumni association is running websites which contain the International alumni's information and regularly sending the newsletter to alumni in order for them to stay current with news at Inje University as well as to strengthen the relationship between alumni.
